

## DIRECTIONS TO THE CLINICAL RESEARCH CENTER ON THE UCSD CAMPUS

### **Coming from the SOUTH:**

Take 1-5 To Gilman Drive.

Make a LEFT on Gilman and go straight all the way to the UCSD Campus.

Once you enter the campus, make your first RIGHT on Osler Lane.

Drive straight until the end; you will be in a parking lot with lots of trailers. You will see a trailer that says “Clinical Research” (building 865 on the campus map, at G-11 just above the word, “Guava”). Park your car in the Clinical Research Spots, come in the trailer and ask for a parking permit for your car. We will be waiting for you in the lobby.

### **Coming from the NORTH:**

Take 1-5 To La Jolla Village Drive and make a RIGHT.

Make a RIGHT on Gilman Drive toward the UCSD Campus.

Once you enter the campus, make your first RIGHT on Osler Lane (this will come quickly).

Drive straight until the end; you will be in a parking lot with lots of trailers. You will see a trailer that says “Clinical Research” (building 865 on the campus map, at G-11 just above the word, “Guava”). Park your car in the Clinical Research Spots, come in the trailer and ask for a parking permit for your car. We will be waiting for you in the lobby.

### **Coming from the EAST:**

Take the 52 to the 5 North.

Then take the La Jolla Village Drive exit. Make a LEFT on La Jolla Village Drive.

Make a RIGHT on Gilman Drive toward the UCSD Campus.

Once you enter the campus, make your first RIGHT on Osler Lane (this will come quickly).

Drive straight until the end; you will be in a parking lot with lots of trailers. You will see a trailer that says “Clinical Research” (building 865 on the campus map, at G-11 just above the word, “Guava”). Park your car in the Clinical Research Spots, come in the trailer and ask for a parking permit for your car. We will be waiting for you in the lobby.

The phone number at the GCRC is 858-534-6161 if you get lost.
